THE 12K RETAINER

Your AI transformation team. Built and managed by us.

One monthly retainer. Your roadmap, **moving as fast as your business.**

3 dev days
24 hours of AI development, every week.

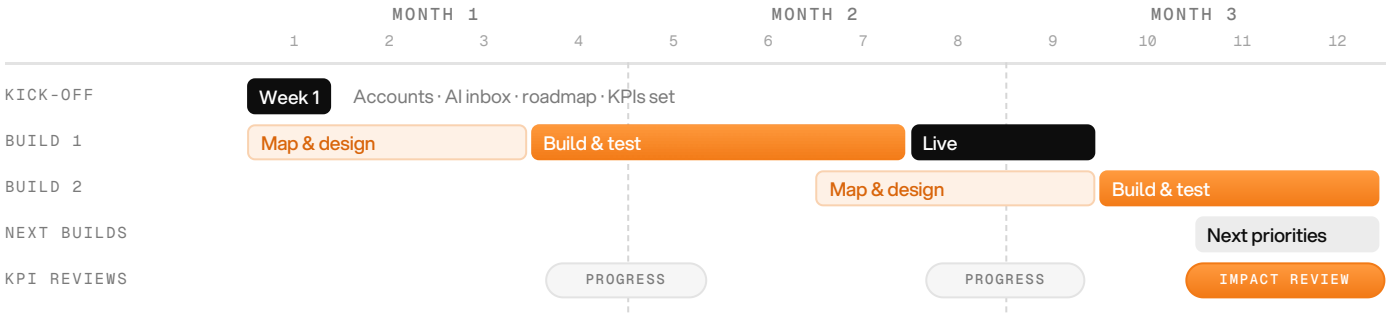
1–2 meetings
Weekly, 1 hour each with Liam or Harry.

Foundations
Security, governance and your AI dashboard.

Founder access
A direct line, 24–48h response.

THE FIRST 12 WEEKS

Estimate · **one main build at a time**



FOUNDATIONAL BUILD-OUTS

SET UP ONCE

- **Your AI dashboard** Every build, roadmap and KPI, live.
- **One AI inbox** Every AI account and alert in one place.
- **Daily AI scan** Security and compliance, checked every day.
- **AI vendor watch** Model and tool changes caught early.
- **Secure AI architecture** Encrypted, role-based, on AWS.

HOW WE WORK

WEEKLY RHYTHM

1	**Monday call**	AI updates, vision, progress	EARLY
2	**2nd meeting**	Progress, training, your steer	ON DEMAND
3	**KPI review**	Impact against targets	MONTHLY
4	**Your dashboard**	Progress and roadmap	ALWAYS LIVE

KPIS

TARGETS SET IN WEEK 1

- **Built & live** On the timeline above.
- **Hours saved** Time back for your team, every week.
- **Cost & revenue** Measured against today's numbers.
- **Team adoption** AI used daily by your team.

BENEFITS

VS. PROJECT-BASED

- ✓ **Flexible scope.** Change direction every week.
- ✓ **Every hour used.** Blocked on one build, we move to the next.
- ✓ **New AI, fast.** Latest tech in your business as it lands.
- ✓ **Support, review, scale.** Built in, every month.
- ✓ **No hiring.** Your AI team, built and managed by us.

$12,000 a month
