THE 20K RETAINER

Your AI transformation team. Built and managed by us.

One monthly retainer. Your roadmap, **moving as fast as your business.**

7 dev days
56 hours of AI development, every week.

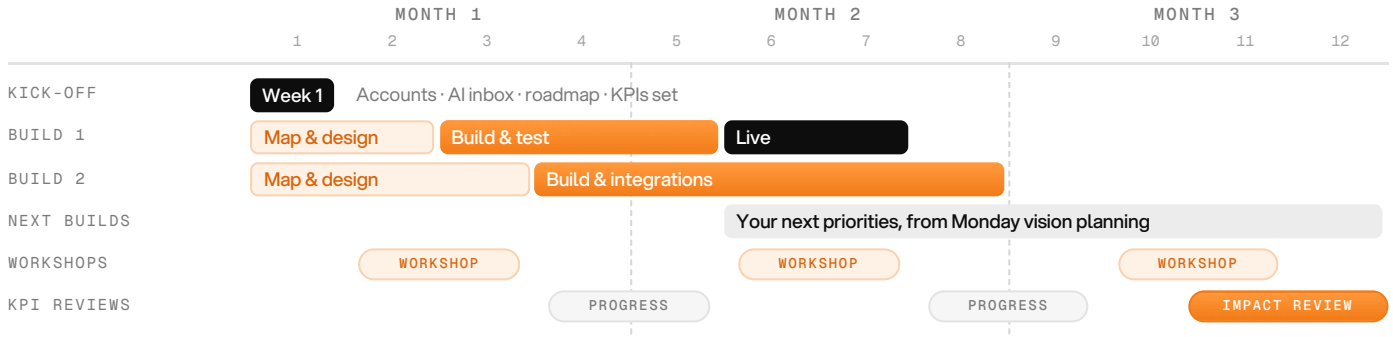
1–3 meetings
Weekly, 1 hour each with Liam & Harry.

Team workshop
Bonus: 5 hours a month on new AI or your builds.

Founder access
2h a month with Liam, 24h response on business days.

THE FIRST 12 WEEKS

Estimate · **builds run in parallel**



FOUNDATIONAL BUILD-OUTS

SET UP ONCE

- **Your AI dashboard** Every build, roadmap and KPI, live.
- **One AI inbox** Every AI account and alert in one place.
- **Daily AI scan** Security and compliance, checked every day.
- **AI vendor watch** Model and tool changes caught early.
- **Secure AI architecture** Encrypted, role-based, on AWS.

HOW WE WORK

WEEKLY RHYTHM

1	**Monday call**	AI updates, vision, progress	EARLY
2	**Wednesday call**	Progress, your steer	LATE
3	**3rd meeting**	Launches, training, deep dives	ON DEMAND
4	**Founder session**	2 hours with Liam	MONTHLY
5	**Team workshop**	5 hours a month for your team	BONUS
6	**KPI review**	Impact against targets	MONTHLY

KPIS

TARGETS SET IN WEEK 1

- **Built & live** On the timeline above.
- **Hours saved** Time back for your team, every week.
- **Cost & revenue** Measured against today's numbers.
- **Team adoption** AI used daily by your team.

BENEFITS

VS. PROJECT-BASED

- **Flexible scope.** Change direction every week.
- **Every hour used.** Blocked on one build, we move to the next.
- **New AI, fast.** Latest tech in your business as it lands.
- **Support, review, scale.** Built in, every month.
- **No hiring.** Your AI team, built and managed by us.
